About Us

Founded in 1897, Glens Falls Hospital today operates an advanced healthcare delivery system recognized by some of the most distinguished accrediting bodies in the country, including DNV GL and the American College of Surgeons.

Our mission is to improve the health of people in our region by providing access to exceptional, affordable and patient-centered care, every day and in every setting. In July 2020, Glens Falls Hospital became an affiliate of the Albany Med Health System, which also includes Albany Medical Center, Columbia Memorial Health and Saratoga Hospital.
